### Driver orientation training

To ensure all lifts are made easily and safely, we offer training for drivers. Here are the steps to take to attend our training:

#### STEP 1 – Complete our compliance checklist

Please ensure you have the following documents before your orientation training. Each of these documents must be with you during every visit to our terminal.

##### Carrier requirements:

- Terminal access agreement
- Carrier insurance certificate

##### Trailer requirements:

- Annual visual inspection
- 5 year inspection
- Probe certification

##### Driver requirements:

- TDG
- WHMIS
- Valid driver's licence
- CPPI

Outermost layer of clothing must be fire retardant or fire resistant.

#### STEP 2 – Schedule an appointment

To schedule your driver orientation training, please call 506.202.4768. Drivers must call no later than the previous Friday to register. Orientation will take place the second and fourth Tuesday of each month at 9:00 am. Drivers MUST be registered.

#### STEP 3 – Attend the training

- The driver orientation training takes about one hour.
- Training includes an orientation video, review of standards and procedures, site orientation and compliance checklists.
- Drivers must have ten supervised loads and meet our compliance checklist prior to receiving their access card. The ten supervised loads are not the responsibility of the Refinery.
- Completion of orientation is required every two years.
